## MOTOR VEHICLE DRIVER'S CERTIFICATION OF COMPLIANCE WITH DRIVER LICENSE REQUIREMENTS

Parts 383 and 391 of the Federal Motor Carrier Safety Regulations require that drivers comply with the following:

1. **POSSESS ONLY MOTOR VEHICLE OPERATOR'S LICENSE:** If you have more than one license, keep the license from your state of residence and return the additional licenses to the states that issued them. DESTROYING a license does not close the record in the state that issued it; you must notify the state. If a multiple license has been lost, stolen, or destroyed, close your record by notifying the state of issuance that you no longer want to be licensed by that state.
2. **NOTIFICATION OF LICENSE SUSPENSION, REVOCATION OR CANCELLATION:** Sections 391.15(b)(2) and 383.33 of the Federal Motor Carrier Safety Regulation require that you notify the motor carrier you are driving for by the NEXT BUSINESS DAY of any revocation or suspension of your driver's license. In addition, Section 383.31 requires that any time you violate a state or local traffic law (other than parking), you must report it (in writing) within 30 days to: 1) the motor carrier you are driving for, and 2) the state that issued your license(if the violation occurs in a state other than the one which issued your license).

The following license is the ONLY one I possess:

## GRADING SYSTEM FOR THE EVALUATION OF CDL DRIVERS

To ensure the contracting and use of the best qualified drivers, the Motor Vehicle Record (MVR) covering the last three (3) years for each driver will be obtained at time of initial application and annually for all drivers. These MVRs along with current convictions and/or tickets that may not have been immediately updated on the MVR will be checked to identify undesirable driving records.

### CLASSIFICATION

There are four classifications of drivers:

- **Acceptable** – may drive without qualification.
- **Marginal** – may drive and MVR is reordered every six months and any increase in points identified on the MVR or through current violations and/or tickets results in immediate termination or lifting of driving privileges.
- **Probation** – may drive and MVR is reordered every three months and any increase in points identified on the MVR or through current violations and/or tickets results in immediate termination or lifting of driving privileges.
- **Unacceptable** – may not drive at all.

### POINT SYSTEM

#### Automatic dismissal

Violations:

- 3 or more moving convictions and/or accidents in the most recent 3 years
- 2 or more moving convictions and/or accidents in the most recent year
- A major ticketed violation and/or conviction within the last 5 years, which includes:
  - Driving while intoxicated (DWI) or driving under the influence (DUI)
  - Leaving the scene of an accident
  - Careless or reckless driving violations
  - Homicide or assault through the use of a motor vehicle
  - Attempting to elude a police officer
  - Passing a stopped school bus
  - Railroad – Highway grade crossing violation
    - Failure to obey railroad crossing restriction /gates/ signs/ signals
    - Failure for stopping at RR crossing
    - All other RR crossing violations
- A driver who has had three or more license suspensions in the past.

#### 2 points

Serious Convictions:

- Speeding
- Reckless operation
- Improper/Erratic Lane Change
- Following Too Closely
- Fatal Accident Violation
- Failure to stop at a red light
- At-fault accidents

#### 1 point

Convictions:

- Failure to yield right-of-way or stop sign

Miscellaneous convictions are classified and assigned point scores in accordance with circumstances.

**CLASSIFICATIONS AND POINT TOTALS**

- Acceptable: 0-3 points
- Marginal: 4 points
- Probation: 5 points
- Unacceptable: more than 5 points

Some discretion may be used on marginal and probation categories if the driver has a clear record for one to two years and some of the old points are soon to expire. Any exceptions, if made, should require a conference between the supervisor and the individual driver.

If an accident is shown on the MVR or noted in a current police report, it will be assumed that it is an at-fault chargeable accident. A change in classification can only be made when upon receipt of a police report showing you as the driver was not at fault.

I have read and understand the CDL Driver grading system and evaluation requirements.
